Customer Comments:

"I have been using New Chef for several years now. Hard to find a better combination of quality, price & service. Our students look & act more professional since we started requiring Chef Attire in the kitchen. I found using New Chef more convenient than purchasing locally and they are delivered right to your class!"

Bill Prisock,
Culinary Arts Instructor
Clinton Career Complex

"As the Instructor at EHOVE Career Center I have had the opportunity to work with New Chef Fashion. They have provided my students with affordable & durable uniforms over the years. Students are truly excited to receive their uniforms. The custom embroidery for EHOVE Career Center, students name, & the ProStart program logo are a professional touch. My students wear their uniforms with pride & excitement. I would highly recommend New Chef to all of my Ohio colleagues. Thanks."

Michael Edwards CSFE,
EHOVE Career Center

"As the Culinary arts instructor for Buckingham County Public Schools, I've found New Chef uniforms to be well made, durable & affordable. New Chef goes out of their way to make sure I am satisfied with the uniforms & the embroidered custom made school logo and student's name adds a professional touch. I recommend New Chef to all of my Virginia colleagues."

Chef Sandra Hawk,
Buckingham Va.
